

ANCON CHI MACHINE

No matter what your health challenges, the oxygenating Ancon Chi Machine makes a difference. Many people suffering from the following conditions report their improvements in: Asthma; Arthritis; Back Pain; Cancer; Circulation Problems; Fibromyalgia; and Insomnia. Some people go so far as to credit the Ancon Chi Machine with changing or giving them back their lives. They also appreciate relief from costly medications and doctor bills.

The Ancon Chi Machine may be used by itself or in conjunction with a holistic (wholistic) approach to well-being. Before or after a reflexology session, many of my clients add 15 minutes on the Ancon Chi Machine to their reflexology therapy session. The beneficial results can be life-changing, with no chance of injury, drugs or toxic side effects.
